Fall 2016

FOURTH DAYS

One of the most moving parts of a Walk to Emmaus weekend is the testimony at Closing of those that have completed the Walk. In each newsletter there will be testimonies from people who have attended Emmaus. Here is a testimony from Jannell Gunn:

Walk #134-Table of Sarah-Camp Jameson. That was a lot of years ago. When I went on my Emmaus Walk I had been asked by people for multiple years when I finally said "yes". I went not knowing what was going to happen and all I could think about was how busy I was and I did not have the time to go away for the weekend. Thursday night was like torture for me as I could not talk and those who know me know I love to talk. All I wanted to do was go home. I got through Friday and still wanted to go home. Then came Saturday! I loved the Agape Dinner and the best was yet to come. I saw the face of Jesus on the people at Candlelight that night and felt his presence. As I left Emmaus I had no idea what God had in store for me. I continued teaching the youth at our church, went on a mission trip to Mexico where God spoke to me about starting a new Worship service at my church. I became part of a special group that started the Thirst Worship Service at our church. It has been going strong for 10 years! I continue to be active in Thirst Worship. Through each ministry, I continued to grow in my relationship with God.

In the last five years I finally said yes to Emmaus. I was blessed to be a Lay Director for a Women's Walk in 2013 and then the Lay Director for Chrysalis the following year. I have been so blessed. I am reminded every day how much God loves me and I wonder what other adventures he has in store for me. I am doing things I never dreamed I would. I encourage you to be open to what God is nudging you to do. It may be your biggest adventure and bring you closer to him. DeColores!
